PRESIDENT'S LETTER

We were so fortunate to have founding member Dr. Jim Waddick, with us on March 22nd, as speaker for our Spring meeting. In this slow-to-arrive Spring, it was a treat to see photos of lovely possibilities for planting enjoyment this season! Lots of notes were taken and I have no doubt that an abundance of new varieties will be sprouting in the area!

Please make sure you have May 10th marked on your calendars, as you won't want to miss our Annual Plant Sale to be held at Faith Lutheran Church from 9AM to 2:30PM.

There will be a great selection of hostas, new and old favorites, waiting for you at this sale. Colorful heucheras, lacy ferns and other lovely companions for the shady garden are also featured. There will be miniature hostas and perennials so perfect for your pots and rock gardens. Look for the Hosta Abquia Drinking Gourd, hosta of the year!

We will enjoy a day in Janice Turner's garden when she hosts our Annual Garden Party on Saturday, June 7th. She has a large yard perfect for relaxing, eating and visiting with gardening friends! See detailed info on Page 4 of this newsletter.

Early summer is a great time to enjoy a stroll through Loose Park. Be sure to check out the Hosta garden that was begun last fall adjacent to the Garden Center building.

There is another exciting program planned for Saturday, September 13, 2014. Speaker Larry Tucker will present "Confessions of a Hostaholic: How Antiques and Antics have Made Gardening Fun". Larry has been involved in the American Hosta Society and his local societies for some time and will have lots of hosta knowledge to share.

Happy Gardening!

Gwen
