Heartland Hosta & Shade Plant Society Newsletter

June 2018

## Letter from the President

Apologies for the delay in getting out a newsletter this Summer, but with the unexpected change in plant sale location and other factors I wasn't able to devote the time needed to put together something beyond the emails you have received updating everyone on events and other news. Now that things are scheduled for the rest of 2018 and 2019, things are getting back to normal.

## Saturday, June 2nd — 2nd Chance Plant Sale

The club has approximately 134 plants left from our annual plant sale. Plants will be available for sale during the annual Western Hills Neighborhood Garage Sale. Selection is limited, so shop early. Cash, check, or charge will all be accepted.

Saturday, June 2nd from 9AM to 12PM—8706 Summit St—KCMO—64114

## Saturday, June 16th—2018 Garden Party

Join hosts Carl and Leslie Milby as they open their home and gardens to club members and enjoy Hawaiian Luau themed food provided by the club. Members are welcome to bring a guest. Check the upcoming events on page two for their address information.

## 2018 Fall Meeting

First Lutheran Church—6400 State Line Rd—Mission Hills, KS 66208  
Saturday, September 8, 2018—Check-in and Hospitality at 9:30. Meeting at 10:00.

Speaker Don Dean has taught middle school children for 32 years. His exploits in growing hostas has resulted in 50+ hostas being registered with Don as the originator and most are available from retail sources.

### Darn Right I've Got the Blues

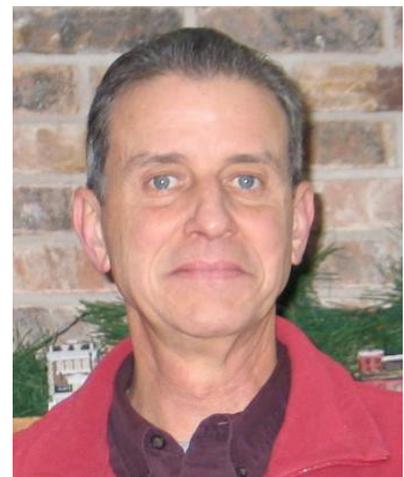

Don will share his presentation, "Darn Right I've Got the Blues," which looks at "blue" from a variety of perspectives with a focus upon "blue" in hostas. Don will share his currently introduced blues and give us a peek at some future plants yet to hit the retail market. There will be something in Don's presentation to spark your interest whether you are a hosta beginner or an old pro.

### Potluck Luncheon

A potluck luncheon will follow the program with meat and drink provided by the club. Bring your favorite dish to share and enjoy lunch socializing with like minded plant enthusiasts following Dan's presentation.

### Door Prizes and Raffles

We'll have some fun door prizes available and you can purchase tickets for a chance to win one of the raffle prizes.

Don Dean
